ABOUT ME

- After studying at Istanbul University Forest Engineering, I transferred to Landscape Architecture in 2017 with a horizontal transfer. I graduated in 2022 and my GPA is 2.8.

- During my university education, I worked on applications suitable for my department to improve my English.

- I am learning English to improve my language skills and I completed my first English course at intermediate level B2. I am still trying to get the necessary education and reach a sufficient level of language. And I'm learning German at the beginner level.

- In 2020, I completed my school's compulsory internship duties as two different research assignments due to Covid-19 restrictions.

- In 2022, I completed my internship in the field of landscape architecture at Architenko company.
